SHERINGDALE PTA

The PTA's mission is to advance the education of Sheringdale pupils by:

- developing effective relationships between staff, parents and others associated with the school and
- engaging in activities or providing facilities or equipment which support the school and enhance the learning experience

The projects we support need to reach as many children as possible with the widest impact.

JOIN US!

BECOME A CLASS REPRESENTATIVE

Being a Class Rep is a fantastic way to become involved in the PTA. Class Reps liaise between the parents in each class and the PTA Committee, so parents know how they can get involved. Reps also organise class cake sales, collections for the teachers at Christmas and End of Year - and the all important class social events.

PTA COMMITTEE

The PTA Committee is a cross section of parents from all years. We'd like the Committee to reflect the school community's multi-cultural background and a balance of mums and dads.

Please email sheringdalepta@gmail.com - it would be great to have you on board!

WHAT IS THE PTA?

The Sheringdale Parent Teacher Association (PTA) is one of the many ways parents can get involved in and support our school community. We run fundraising events and liaise with the school to discuss how best to spend the money that we raise. This could be class enrichment for the children such as workshops or trips, or it could be equipment for the playground and classrooms. The PTA Committee is a passionate, enthusiastic group of parents and we always welcome new ideas, energy and skills and of course new members!

There are many ways you can get involved, ranging from being your child's class representative, helping with running a project to helping with school fairs.

Our fundraising wouldn't be possible without your support, whether it is attending the fairs, buying raffle tickets, baking for the cake sales, sponsoring your child, or donating unwanted items for our Bags2School second-hand clothes collection.

FUNDRAISING ALL YEAR

Register with easyfundraising & choose Sheringdale PTA as your charity recipient. A percentage of your online shopping basket value is donated to the PTA. £1,888 raise so far.

Support the PTA when you shop at Amazon via www.smile.amazon.co.uk - it's as quick as the regular Amazon site and also available on the Amazon app.
